# 2023 PRICING GUIDE

# Hi, I'm Tatiana

An eternal romantic,  
adventurer, explorer.

I love my job more than you  
know and I would be so  
honored to document your  
special day.

## My approach

The way you look at each other,  
the way your dress blows in the  
wind, unposed, emotional, in  
the moment, you...

Photography to me is about  
capturing emotions and the  
moments in between words.

# MY SERVICES

## CUSTOMIZED WEDDING GUIDE

As an experienced wedding photographer, I understand the importance of thorough planning and attention to detail in ensuring that your special day goes smoothly and stress free to create beautiful images. Once we decide if we are a good fit to work together, I'll take the time to understand you and your expectations. Based on this, I'll create a customized guide tailored to your needs, including location options, vendor recommendations, and tips to help you plan your day effectively.

## PERMIT GUIDANCE

Permit requirements can vary depending on your ceremony location, some require it, some don't. I will assist you in navigating any permit needs and acquiring them if necessary.

## CUSTOMIZED TIMELINE

I am available to help you build a timeline for your entire day, whether you need me for a few hours or for the duration of your celebration. I can advise on the best times to schedule vendors and help you make the most of our time together.
